

Green and Digital Technology: For Sustainable Future (GDTech 2024)

February 17, 2024

Important Guidelines

Oral presentations:

1. Only original research work is to be included in alignment with the theme.
2. The presentation should clearly include the rationale of the study, methodology, key results observed, final conclusion and future prospects.
3. The duration of the presentation is 15mins. Participants are strictly advised to adhere to the time limit.
4. The presentations are to be submitted at greensummit2024@gmail.com by 15 Feb 2024 to avoid any last minute technical errors.
5. Certificate of participation will be provided.

Poster presentations:

1. Only original research work is to be included in alignment with the theme. Thematic or review posters are not encouraged.
2. The poster should clearly include the rationale of the study, methodology, key results observed, final conclusion and future prospects.
3. The size of the poster is 2ft * 3ft in portrait mode only.
4. The duration of the poster presentation would be about 3 mins.
5. Certificate of participation will be provided.

Idea exposition event (Green-A-Thon):

1. Only original ideas are encouraged in alignment with the theme.
2. The team can consist between 1 to 3 members. Each individual member has to register for the event.
3. Participants from 16 to 40 yrs of age are encouraged for the event.
4. The idea should clearly state the novelty, the exact idea, implementation strategy, timelines, marketing strategy and financial projections (if applicable).

5. The duration of the presentation is 15mins. Participants are strictly advised to adhere to the time limit.
6. The presentations are to be submitted at greensummit2024@gmail.com by 15 Feb 2024 to avoid any last minute technical errors.
7. The judgement of the event will be based on the novelty, presentation, idea feasibility and practicality and social and environmental impact.
8. Certificate of participation will be provided.
